

## HAROM GALAMB (THREE DOVES) APPEAL

### A Day Centre for young adults with additional support needs in Transylvania

In 2018, inspired by the ideals of Camphill, a group of people who lived and worked for many years in various Camphill communities, decided to lay the foundations for a new social initiative in a Hungarian speaking region of Transylvania. (Some of the group originate from the region.)

Their purpose is to build up a small but diverse social care provision which provides meaningful work

activities for vulnerable young adults who otherwise have no place to go, no employment possibilities, and no supportive social networks other than their immediate families. Initially they plan to provide a programme of work experience, training opportunities and social-therapeutic support for a group of 10-12 young adults aged between 18 and 35 years. There are already several local families waiting for the doors to open.

With this vision in mind, Zsuzsa Filipov-Soo has moved back from Scotland to Romania to lead the project. Zsuzsa and a team of local and international volunteers have already started to develop an organic/biodynamic garden on a 7540 m<sup>2</sup> area of land that has been gifted to Harom Galamb by a local benefactor.

Harom Galamb is a Registered Non-profit Association in Romania with a sister charity in Scotland formed specifically with the purpose of providing support for the initiative.

We are in great need of funds to move the project onwards and meet the needs of the vulnerable young people coming towards us! Specifically, we need funds to employ colleagues for Zsuzsa and funds to develop the site so that it can be licenced as a Day Centre. Our aim is to create a wholly sustainable service, and with the pilot project up and running we will be able to demonstrate its value!

Would you like to support this exciting and valuable work? We welcome (and need!) donations large and small. Feel free to contact Zsuzsa on the details below, if you have any questions. Donations can be made to account details for the Romanian Association or to our Scottish registered Charity.
